

200/500 300/600 WPC Mixer Machine 500/1000 PVC Compounding Mixer

Our Product Introduction

for more products please visit us on plasticextrudersmachine.com

Basic Information

- Place of Origin: Shandong, China
- Brand Name: Changyue
- Price: \$3,200.00/pieces 1-4 pieces
- Packaging Details: Export Film Packing / According To Customer
- Delivery Time: 15 Days (1 - 1 Pieces) To Be Negotiated (> 1 Pieces)

Product Specification

- Processing: Mixer
- Applicable Industries: Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Retail, Construction Works , Energy & Mining, Advertising Company, Other
- Showroom Location: Canada, United Kingdom, United States, France, Philippines, Pakistan, India, Mexico, Russia, Colombia, Japan
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: New Product 2023
- Warranty Of Core Components: 1 Year
- Core Components: Pot Body, Blade, Pot Cover, Pneumatic Feeding System, Power Transmission System, Electric Control Cabinet, Pot Seat, Base
- Condition: New

Product Description

Self-Friction Heat Generation Plastic Raw Material Mixer For WPC Mixing Machine

Product Parameters

| model | Total volume L | motor power |
|---------------|----------------|-------------|
| SHR-200/500 | 200 | 45/7.5 |
| SHR-300/600 | 300 | 55/7.5 |
| SHR-500/1000 | 500 | 75/11 |
| SHR-800/2000 | 800 | 110/22 |
| SHR-1000/3000 | 1000 | 132/22 |

Details Images

Description:

The unit combines heat mixing and cool mixing together. The materials after heat mixing can be getting into cool mixer for cooling

automatically, exhausts remaining gas and avoids agglomerates. It is an ideal equipment for plastics mixing.

Features:

- 1) All important parts (bowl, mixing tool, control cabinet) are manufactured in our factory, which ensure the quality of machine.
- 2) All material in contact with product is in SS304 or aluminum alloy and the product will not be contaminated.
- 3) High cooling efficiency, short mixing time, easy and convenient to clean, and can reach high output.

Customer Photos

Our machines have been exported to more than 30 countries include Canada, USA, Russia, Bulgaria, Turkey, India, Kuwait, Saudi Arabia, Nepal, Sri Lanka, Israel, Nigeria, Rwanda, Indonesia, Vietnam, Thailand etc.. “

our workshop

Qingdao Changyue Plastic Machinery Co.,Ltd is a professional plastic extrusion machine manufacturer located in Qingdao city -abeautiful seaside city.

We are using the latest technology. Our products include plastic pipe machine, plastic profile machine,plastic sheet machines,plastic board machines, PP PET strap band lines. Geostrap band lines.

Certifications

Our Advantages

1. Low cost

- * All the machine ,we make it ourself to reduce the cost of our customer.

2. Genuine product with excellent quality

- * We choose our material very strict.
- * All the material come to our factory must pass the quality test
- * Substandard goods are returned to the supplier.

3. Engerneers available to serve oversea

4. Quick delivery

- * The company provide just in time delivery with its streamlined supply chain.

5. Cost saving

- * Se take strong attention to every detail in the manufacturing process.
- * The quality control in our factory is very strict.
- * All defective semi-manufactures must be treated again or reject.
- * All the machine must be checked out ,then delivered to our customer.
- * All about that pushing up the price,but get good quality machine.
- * What we want to do is give our customer a good quality product with stable working and long lived.
