

## Packing Pet Strap Extrusion Line 9mm-32mm Packing Belt Making Machine

### Basic Information

- Place of Origin: Shandong, China
- Brand Name: Changyue
- Packaging Details: Export Film Packing / According To Customer
- Delivery Time: 15 Days (1 - 1 Pieces) To Be Negotiated ( > 1 Pieces)

### Product Specification

- Model NO.: SJ 90
- Plastic Processed: Pet
- Product Type: Extrusion Molding Machine
- Feeding Mode: One Feed
- Assembly Structure: Integral Type Extruder
- Screw: Single-Screw
- Engagement System: Intermeshing
- Screw Channel Structure: Deep Screw
- Exhaust: Exhaust
- Automation: Automatic
- Computerized: Computerized
- Transport Package: Export Packing
- Specification: 9-32 Mm
- Trademark: CHANGYUE
- Origin: Qingdao, China

## Product Description

Pet Packing Strap Band Extrusion Production Line with Package Gross Weight of 9000.000kg

**PET packing strap band extrusion machine**

**PP packing Strap Band Production Line**

**PP PET strap band production line**

**PP packing strap tap production line**

**good price PET packing band extrusion production line**

PP Series Plastic Strapping Band Machine set have several models, such as conventional type, energy-efficient type, double band type, sandwich-type and so on. Users could make choice according to their requirements. This line can produce different specification and models strapping band for manual or auto packer, which can be widely used in mines, department stores, textile, electrical, instrumentation, architecture, medicine industry for packing

### Main Technical Parameters

| Model                       | XQ-PET-1 | XQ-PET-2 |
|-----------------------------|----------|----------|
| Extruder                    | 75       | 90       |
| Productivity (kg)           | 80-100   | 150-200  |
| Stretching ratio            | 5-6      | 5-6      |
| Total installed power (kw)  | 75       | 90       |
| Length of production line m | 30       | 35       |
| Product Spec. (mm)          | 9-19     | 9-32 mm  |
| Total weight (T)            | 5        | 7        |
